

## **Abstract Guidelines**

1. **Language Requirement:** Abstracts must be written in **English**.
2. **Word Count:** Abstracts must contain a minimum of 350 words and a maximum of 500 words.
3. **Title Format:** The title must be in the Title Case, written in Calibri, bold, size 14, and left-aligned.
4. **Authors' Names:** Separate authors' names with semicolons. Immediately after each author's name, insert a superscript reference number corresponding to the work institution mentioned in the following lines. Use the same reference number for authors from the same institution.
5. **Corresponding Author:** In the corresponding author line, only the email address(es) should be provided. If there are multiple corresponding authors, separate their emails with commas.
6. **Abstract Body Format:** The abstract body text should be a concise summary of the research, written in Calibri, bold, size 12, and justified alignment.
7. **Paragraph Spacing:** Paragraph spacing must be set at 6 pt. with single-line spacing.
8. **Content Structure:**
  - a) **Introduction:** Begin with a brief introduction to the topic.
  - b) **Research Question/Objectives:** Follow with a clear statement of the research question or objectives.
  - c) **Methods:** Describe the methods briefly, including any key techniques or approaches used.
  - d) **Findings/Results:** Present the main findings of the study, along with any important results or conclusions.
  - e) **Significance/Implications:** End with a statement about the significance or implications of the findings.
9. **Keywords:** Include at least three relevant keywords.
10. **Submission:** Abstracts must be submitted through the online system provided at <https://thaigroundwatersymposium.org>.
